(Pellets (flat nose or wad cutter nose ONLY), .22 Shells, Shotgun Shells, and Arrows) for their contest.

Please bring plenty of WATER and sunscreen.

**There are no shade structures at the ABQ Shooting Range Park,
so please plan accordingly and bring your own canopies, chairs, etc.**

FOR SHOOTING SPORTS:

Valencia County has made a couple changes to the NW District Shooting Sports Contest event.

ARCHERY CONTEST: The archery contest will take place at Hit or Miss Archery Center in Albuquerque (2801 Broad-bent Pkwy NE d, Albuquerque, NM 87107). They have offered the facility to us for free. It is an indoor range that can completely accommodate our contest needs.

RIFLE & SHOTGUN CONTESTS: The Rifle and Shotgun Contests will take place at the Albuquerque City Shooting Range Park (16001 Shooting Range Access Rd, Albuquerque, NM 87120). This is the same range we used last year.

PRICE: Because Hit or Miss is donating their facilities, we no longer need to charge \$10 per child. The new price is \$5 per child.

LUNCH: Because of the lower price and the changes in location, we are no longer offering lunch for the participants.

AWARDS: We will award the Archery Contest participants at Hit or Miss Archery approximately 30 minutes after the conclusion of the event. .22 Rifle Awards will be 30 minutes at the conclusion of the contest. Air Rifle and Shotgun Awards will be at approximately 4:30 pm or 30 minutes at the conclusion of the last contest.

Hit or Miss Archery Center and the ABQ Shooting Range Park are about 20 minutes apart from each other. We will work to put any participant in a morning contest and an afternoon contest in appropriate relays to accommodate travel time between the two locations.

4-H STEM CAMP:

Las Cruces, NM—ROBOTICS

June 26-20 2017

\$150/team • Hands On Learning • Teach Others

**Open to teams of Senior 4-H Members and an adult partner.
Limited Space -**

Will be determined by applications.

**Contact Nicole at the Extension Office if interested,
So we can form a team to submit an essay.**

New this year is 4-H STEM Camp scheduled for June 26th – 29th in Las Cruces at the NMSU campus. STEM Camp will use hands-on instruction to teach 4-H teen leaders and their adult partners about science, technology, engineering and mathematics. STEM Camp is being conducted in partnership with the College of Engineering STEM Outreach group. This year, STEM camp will focus on robotics.

This camp will accept teams (1 per county) consisting of 1-2 adults and 2-4 Senior age members. Space is limited (max 50) so there will be an application process in which teams will have to describe how they intend to use the knowledge they learn. The teams should attend with the expectation that they will take the knowledge they learn during camp back to their home counties to either start a STEM club/group or teach lessons at 4-H club meetings &/or events.

Registration is \$150/team regardless of the number of team members and includes supplies, lodging and meals. Meals included are from supper on the 26th until breakfast on the 29th.
