To Whom It May Concern,

The mission of the New Mexico 4-H Youth Development Program, the youth development program of the New Mexico State University Cooperative Extension Service is to provide youth the opportunities to acquire leadership, citizenship, and life skills. New Mexico 4-H programs are based on the four concepts of positive youth development which are belonging, mastery, independence, and generosity.

In support of this effort, Sandoval County 4-H Amigos provides a creative and supportive environment in which culturally diverse youth can reach their full potential. The 4-H Amigos work to help young people develop life skills so they may become self-directed, productive citizens. As adult volunteers, we multiply the efforts of our Sandoval County Extension staff to achieve this goal.

Sandoval County 4-H Amigos is a non-profit Jr. Livestock buyers' club. As buyers, the Amigos help to recognize and reward youth for their efforts and accomplishments during the county fair. The 4-H Amigos invite you to be a part of this exciting buyers' club. Your contributions go a long way to empower our youth. Your contributions help to keep prices higher, enable youth to pay the expenses of raising their animals and contribute to their college fund.

To acknowledge all donors, the 4-H Amigos also sponsor the buyers' luncheon during the Sandoval County Fair. In-kind donations are also accepted for the luncheon.

Your sponsorship supports our mission by providing a venue for youth to improve their leadership skills which reflects the 4-H philosophy of "learn by doing." Thank you in advance for your support.

Sincerely,

Bob Eichhorst
