County Codes

- Each County is identified by a specific code that must be entered on all scan-trons. Youth enter the code in the section marked Chapter, County or Club Number.
- If a County has more than one team in any contest, they will be assigned a prefix number to designate the second or B Team. For example, Eddy County A Team will be 0409, Eddy County B Team will be 1409.
- County Codes are listed on the next slide. Your County number is the same for every event/contest!
