

GARDEN EXPO 2026

Saturday, March 7, 2026 | 10:00am - 1:00pm

Spring is here, and so is the 5th Annual Garden Expo! We're celebrating New Mexican habitats and landscapes with a variety of gardening lectures by experts in local plants, foraging, and pollinators. We'll also be building bee baths and making wind chimes, hosting a plant swap, exotic animals, and professionals from the gardening community.

Let's grow together!

Pollinate Your Garden | 10:00 - 11:00

Porcini Mushrooms, Wines, and Cheeses | 10:45 - 11:30

Backyard Bird Protection | 11:30 - 12:15

Native Plants of New Mexico | 12:15 - 1:00

For all ages.
