

Preparing to Buy Half of a Hog

How much meat is half of a hog?

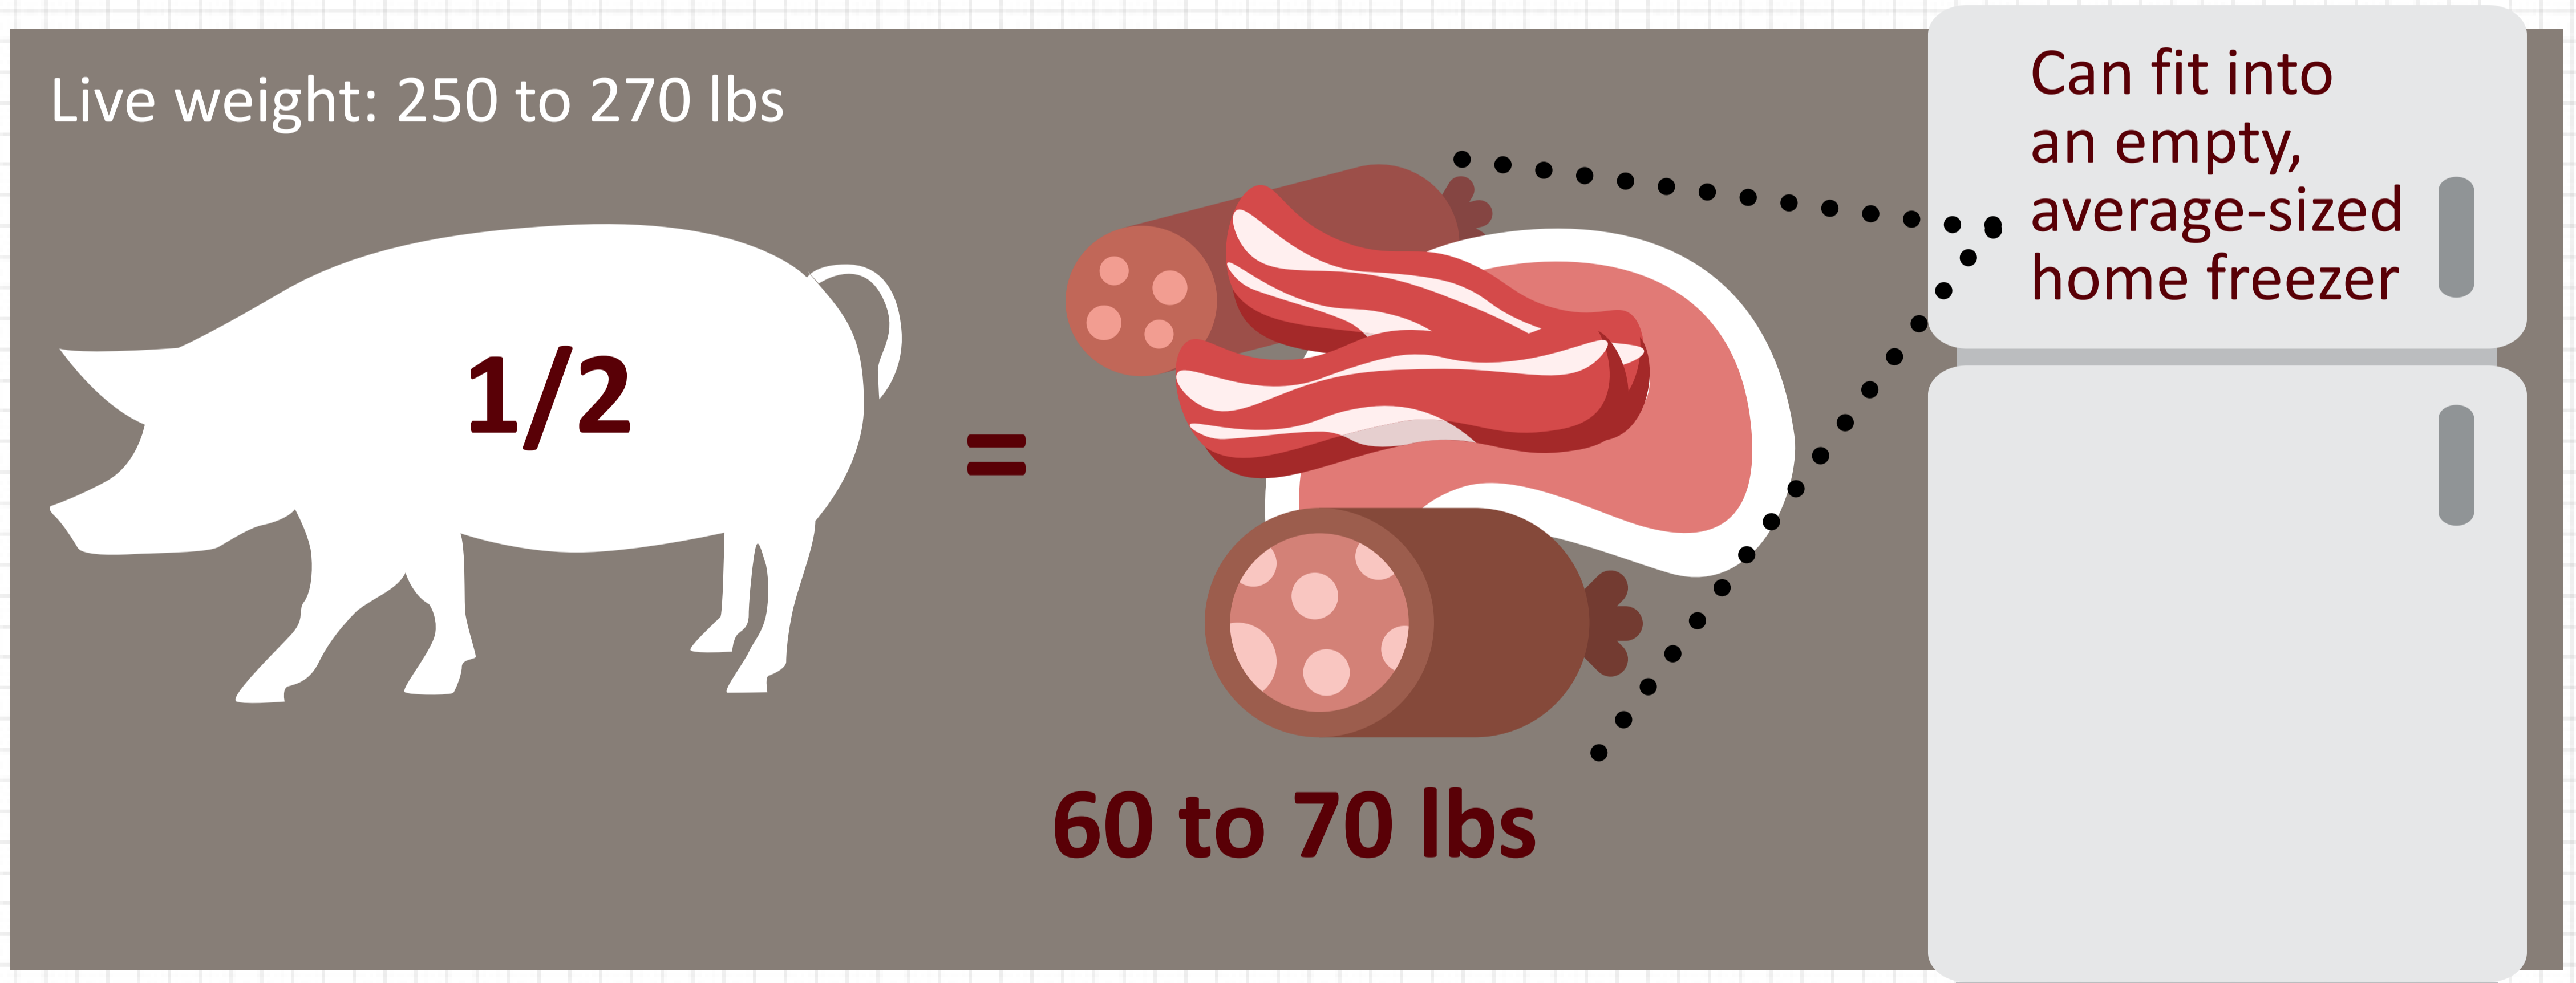

Meat from a typical half a hog with a live weight of **250 to 270 lbs**

Cuts and quantities of meat will depend on the animal and processor.

How much cooler/freezer space do you need?

2.25 cu. ft. can fit about 50 lbs of meat

What costs should you expect?

The cost of the animal is split between two parties

Each party is responsible for individual processing costs
