## COVID SAFE PRACTICES MASK-WEARING GUIDANCE

In alignment with [updated guidance from the CDC](#) and recommendations from New Mexico Gov. Michelle Lujan Grisham, masks will be required at all indoor NMSU system locations and offices around the state.

This includes our Las Cruces, Doña Ana Community College, Alamogordo, Grants, and Carlsbad campuses, as well as the New Mexico Department of Agriculture and Cooperative Extension Service offices statewide and the Agricultural Science Centers.

This indoor mask requirement applies to all 4-H Related programs and events, classrooms, labs, meeting rooms, vehicles and other spaces, and to all faculty, staff, students, and visitors to NMSU campuses and offices, regardless of vaccination status or social distancing opportunities.

Recent studies indicate that vaccinated people can still contract and transmit the coronavirus. Wearing a mask reduces transmission of all variants and keeps our community safer. Please be mask-ready.

We continue to monitor guidance from the CDC and the New Mexico Department of Health, and will update our requirements as that guidance evolves and as conditions warrant.

Vaccination status and use of face coverings should never be used to discriminate or stigmatize.
